There's this

Fat

Fat

lady on  
da beach.

Jiggle  
roll  
Jiggle

One-piece-tye-dye-swimsuit

Bouncing

Round  
and  
Round

She sets her things down  
waddles up to the water  
gets her shins wet

Looks around  
and smiles

She goes back to her things  
and sits down.

She begins to apply  
Sun tanning lotion to her body.

Yes this

Fat

Fat

lady on this beach

has the nerve  
to apply sun tanning lotion

all over her over-efficient thighs

She is done

Then Sighs

She lays back.

Falls back.

Kerplunk!

She closes her eyes  
and begins to sunbathe

She is Content

And don't care.

She is beautiful!  
don't you dare.

God's fixed

And his  
eyes stare...

"if only they all loved as that beauty there"
