You're pouring your love all over me!  
It's dripping off the tops  
and sides  
and bottoms  
and middles  
of trees full of splendid little busy beeds  
about doing their purpose  
how can this bee?  
That you've let my heart to see?  
and experience?  
and take in?  
and now to sing.  
sing! sing! sing!  
about your love to everybody. anybody.  
or the somebody that's considered a nobody  
but they are special to thee.  
and for that I thank thee  
that these things have been shown to me.  
keep this mercy falling  
down  
down  
and this grace falling  
down  
down  
on the top of my scalp  
dripping off my nose  
down around my belly button  
all the way to my  
pinky toe cuticle  
that you made  
and for that...it is cool.  
sometimes I play the fool  
but still your love is all around!  
sprouting from the ground  
here  
and there  
everywhere!  
especially on this floor that I now stand.  
How amazingly awesome is your plan  
that cannot be thwarted by any man  
No matter how big

or strong  
or ugly  
or evil he be.  
Because through you is victory.  
and it's victory that I now speak of  
and have toe let out of my skin  
because for too long it has been contained therein  
Lord, I praise you because you're different.  
and efficient.  
and you've tweaked my spirit just enough so that  
I can taste and see  
that you truly are good  
like a fresh picked pineapple  
for the first time in my mouth.  
Or the warmth of your sun  
on the back of my  
not warm neck  
on a  
not warm day  
I'll praise your name today.  
and tomorrow.  
forever.
