When mountains are high  
Clouds and rain form on them  
When waters are deep  
Dragons are born in them  
Flourish in my arms tonight  
Cherished in my arms tonight  
Come on  
How do I get through it?  
Come on  
Put ya back into it  
Come on  
Something to believe in  
Come on  
Know yourself from within

A burden to pass  
That holds you from yours fortune  
A dormant fire that burns a hole  
Inside you  
Flourish in my arms tonight  
Cherished in my arms tonight

(estribillo)  
(estribillo)

Come on  
How do I get through it?  
Come on  
Put ya back into it  
Come on  
Something to believe in  
Come on  
Know yourself from within
