Waking up on a misty morning
All I wanna do is get high
Waking up on a misty morning
All I wanna do is get high

Welcome to the stage
This is the sign that makes you want to go on
Welcome to the stage
This is the sign that makes you want to go on, yeah

Lay down lay down
Come on and lay now
(?)

Never wanted to be this way yeah
All I ever do is puke up
Waking up on a misty morning
All I wanna do is get high

Welcome to the stage
This is the sign that makes you want to go on
Welcome to the stage
This is the sign that makes you want to go on, yeah

Lay down lay down
Come on and lay now
(?)

Welcome to the stage
This is the sign that makes you want to go on
Welcome to the stage
This is the sign that makes you want to go on, yeah

Lay down lay down
Come on and lay now
(?)
