I thought life was supposed to be  
A lesson in itself  
But each day I find it so much harder

Believe in what you feel inside  
'Cos there's no wrong and there's no right  
Everyday I find it so much harder

What do you see when you close your eyes  
How do you feel when you sleep at night  
Maybe it's time you opened up your mind

Open your mind  
Maybe it's time  
Open your mind  
Maybe it's time, yeah

So many times I've tried to find  
A reason to this life  
But every day I find it so much harder

What do you see when you close your eyes  
How do you feel when you sleep at night  
Maybe it's time you opened up your mind

How can I leave my past behind  
How do I live the days gone by  
Maybe it's time I opened up my mind

Open your mind  
Maybe it's time  
Open your mind  
Maybe it's time, yeah

What do you see when you close your eyes  
How do you feel when you sleep at night  
Maybe it's time you opened up your eyes

Open your mind  
Maybe it's time  
Open your mind  
Maybe it's time

Open your mind  
Open your mind  
Open your mind  
Open your mind, yeah
