She said she didn't know me
Said I'm sweet
She said she didn't know me
Now I'm not so sweet

Yeah yeah baby baby yeah
Now I'm not so sweet
Yeah yeah maybe baby yeah
Set my baby free

And now I'm looking for ya
What it could be
And now I'm looking for ya
You wanna be with me

Yeah yeah baby baby yeah
Now I'm not so sweet
Yeah yeah maybe baby yeah
Set my baby free

Take the long road and walk it
Take the long road and walk it, yeah

Take the long road and walk it
Take the long road and walk it, yeah

Be bob bub bub be bop
Be bob bub bub be bop
Be bob bub bub be bop

Take the long road and walk it
