Hey, Monday morning see what you're missing  
I can't live my life like this boy  
I said, "Hey, little lady see what you're missing  
I can't get enough of your love"

She goes out all alone and out on her own  
She goes out all alone and out on her own  
She goes out all alone and out on her own  
Out all alone and out on her own

How many times do I have to say this  
Your match is a light for me, babe  
I said, "Hey, little lady see what you're missing  
I can't get enough of your love"

She goes out all alone and out on her own  
She goes out all alone and out on her own  
She goes out all alone and out on her own  
Out all alone and out on her own

All alone, all alone, all alone  
All alone, all alone, all alone

The people, the people, the people  
Change the way you live now  
The people, the people, the people  
Change the way you live now

Hey, Monday morning see what you're missing  
I can't live my life like this boy  
I said, "Hey, little lady see what you're missing  
I can't get enough of your love"

She goes out all alone and out on her own  
She goes out all alone and out on her own  
She goes out all alone and out on her own  
Out all alone and out on her own

All alone, all alone, all alone  
All alone, all alone, all alone

The people, the people, the people

Change the way you live now  
The people, the people, the people  
Change the way you live now

I'll never burn in your fire, I'll never burn in your fire  
I'll never burn in your fire, I'll never burn  
I'll never burn, I'll never burn  
I'll never burn, I'll never burn
