People try to judge me
They will never know me
Try to see within me
All I know is all I own

Everybody's moving
Get the feeling groovin'
Send The Rhythm through me
What will be this plan?

Well I don't know what I'm gonna be
Everybody wants me to be free
Everybody get down to the beat

Well I don't know what I'm gonna be
Everybody wants me to be free
Everybody get down to the beat

The, the, the, the, the truth, truth, truth, truth, truth is,
is, is no words
The, the, the, the, the truth, truth, truth, truth, truth is,
is, is no words

You care, you care, what it's for
You know you care, what it's for
You know you care, you care, what it's for
You know you care, you know
Now an' again, fuck it yeah

Well I've been around some time
And I don't know what I'm doing
Noddin' their heads, n' their feet on the floor
And now everybody's prayin'

Well I don't know what I'm gonna be
Everybody wants me to be free
Everybody get down to the beat

Well I don't know what I'm gonna be
Everybody wants me to be free
Everybody get down to the beat

The, the, the, the, the truth, truth, truth, truth, truth is,
is, is no words
The, the, the, the, the truth, truth, truth, truth, truth is,
is, is no words

You care, you care, what it's for
You know you care, you care, what it's for
You know you care, you care, what it's for
You know you care, you know
Niddly now, now, fuck it, yeah.

I don't know what I'm gonna find
Won't somebody help me?
I don't know what I'm gonna find
Won't somebody help me?

I don't know what I'm gonna find
Won't somebody help me?
I don't know what I'm gonna find
Won't somebody help me?

You care, you care, what it's for
You know you care, you care, what it's for
You know you care, you care, what it's for
You know you care, you know
Now an' again, fuck it yeah
