I want you to feel it  
There's enough of us here  
I can feel it in the air around me  
So near  
Now we are shoulder to shoulder  
In the same plan

Without you I'm a broken man  
Without you I'm a slave to their plan  
I'll wash the evidence from my hands  
And leave the guilt behind

I'm not gonna, I'm not gonna react  
I'm not scared, I'm not gonna be trapped  
There's no vision, there's no vision today  
Still living, living in yesterday

I'm not gonna, I'm not gonna react  
I'm not scared, I'm not gonna be trapped  
There's no vision, there's no vision today  
Still living, living in yesterday

I know I can feel it  
Just as tangible and as vivid as the moment that I'm in  
So clear  
Swim through the sea of pretenders

Without you I'm a broken man  
Without you I'm a slave to their plan  
I'll wash the evidence from my hands  
And leave the guilt behind

I'm not gonna, I'm not gonna react  
I'm not scared, I'm not gonna be trapped  
There's no vision, there's no vision today  
Still living, living in yesterday

I'm not gonna, I'm not gonna react  
I'm not scared, I'm not gonna be trapped  
There is no vision, there is no vision today  
Still living, living in yesterday

There's no vision. There's no vision. There's no  
Vision, something is about to change.  
There's no vision. There's no vision. There's no  
Vision, something is about to change.  
There's no vision. There's no vision. There's no  
Vision, something is about to change.  
There's no vision. There's no vision. There's no  
Vision, something is about to change.

I'm not gonna, I'm not gonna react  
I'm not scared, I'm not gonna be trapped  
There's no vision, there's no vision today  
Still living, living in yesterday

I'm not gonna, I'm not gonna react  
I'm not scared, I'm not gonna be trapped  
There's no vision, there's no vision today  
Still living, living in yesterday
