My love for you's an everlasting love
Not hinged upon the good of (ashadine)
You stand before me now, justified and clean

An' your righteousness is like filthy rags
You can't win my favor, so just relax
The work was finished at the Cross of Calvary

I'm gonna break it down, I'm gonna make it real simple
for you

I am love, and love is for me, and I love you
unconditionally

And nothing that you do can keep you away,
And nothing in the world can separate you from,
My love, my-y-y-y lo-o-o-o-ve, my-y-y-y love, my love,
my-y-y-y lo-o-o-o-ve

I knew your name inside your mother's womb,
I've seen your tears inside your lonely room,
Don't think your tears will scare my love for you away

To prove my love, I came and took your place
Laid down my life it was amazing grace
Open up your heart and just receive the gift of life
I'm gonna break it down, I'm gonna make it real simple
for you

I am love, and love is for me, and I love you
unconditionally

And nothing that you do can keep you away,
And nothing in the world can separate you from,
My love, my-y-y-y lo-o-o-o-ve, my-y-y-y love, my love,
my-y-y-y lo-o-o-o-ve

You can climb the highest mountains,
You can try to run away-ay-ay
I'll never leave you or forsake you come what may

I'm gonna break it down, I'm gonna make it real simple

for you

I am love, and love is for me, and I love you
unconditionally

And nothing that you do can keep you away,
And nothing in the world can separate you from,
My love, my-y-y-y lo-o-o-o-ve, my-y-y-y love, my love,
my-y-y-y lo-o-o-o-ve
