Listen to me Rickey, I have a song for you!  
Come with me on my tour now!  
And this is what you should do!  
Just listen to my my little friend  
There is something you should know  
That everybody here, is not exactly what they show  
That's what you gotta do, sometimes to get by when  
your a freshman here at West Terrace Field High  
To avoid getting picked on  
Or getting your ass kicked  
Go find some fake friends  
So you can fake laugh with  
Come with me on my little tour  
Find someone that you can trust  
Changing The Internet World.  
But be careful this is High school and everybody sucks  
Now then, you got the rich kids sitting on their wealth  
And Emo Kids on Emo Grass Â– The grass that cuts  
itself  
An those are the drama kids trying to get some fame  
And the football team is sad cause they never win a  
game  
Hallelujah the bible club trying to spread the word  
The pot head getting high they trying to spread the  
herb  
The ASB chicks WILL have you thinking that they are  
pure  
But they are all a bunch of whores and we're all just  
insecure

IT'S high school And It Sucks  
I have few friends I can trust, man  
High School And It Sucks  
Why do I feel out of touch! Ya!  
High School And It Sucks! Man!  
It sucks so much!  
It's High School And It Sucks! Man!  
It sucks so much!

You might be walking in the hall ways LIKE why you  
stare at me  
Everybody is judged by their popularity

The guys act tough trying to impress the hoes  
And all the hoes walk around like it's a fashion show  
The star athletes spend all the time humping  
The class president don't do nothing  
So pick a CLIQUE before you pass through  
Pick the wrong one and they will outcast you  
Prom king, Prom Queen, who got the nicest hair?  
At the end of the day, nobody really cares  
The cheerleaders cheer, they don't care if we lose  
We don't care about their cheers  
We just staring at their boobs  
And even if you think you have a BFF  
YOU turn around and SHE RAN OFF with your BF  
Take your SATs and applications  
Cause everybody's waiting on graduation

IT'S high school And It Sucks  
I have few friends I can trust, man  
High School And It Sucks  
Why am I out of touch! Ya!  
High School And It Sucks! Man!  
It sucks so much!  
It's High School And It Sucks! Man!  
It sucks so much!

High School And It Sucks!  
High School And It Sucks!  
High School MAN it Sucks! Man!  
It sucks so much!

Yeah!

It suck
