My mother wuz a witch, burned alive-oooh!
And if she ain't my bitch, you'd cry tearz too
I'm evil

Now of revenge I sing, most evilly
The shit on you I'll bring, most metally
And I'm evil

Vengeance like mine could never die
Az long az my metal'z in me

Black is my Misfits shirt, I've 20 Eyez
Misfits shirt full of dirt sayz "Darling Die"

And I'm evil

Vengeance like mine could never die
Az long az my metal'z in me

Black is my Misfits shirt, I've 20 Eyez
Misfits shirt full of fucking dirt sayz "Darling Die"
And I'm evil

And I'm evil-yes, I am
And I'm evil-I am man
And I'm evil-yes, I fuckin' am!
