Well my eyes are closed  
But my heart's on fire  
Because the clock is approaching  
The midnight hour  
I leave my window open  
All the lights are out  
And from the darkest night  
Comes the lightest shout  
Moonshine  
Moonshine moon  
The cow jumped over the moonshine moon  
Moonshine  
Moonshine moon  
I'll love you tonight under the moonshine moon  
Well as we walk through the streets  
There's no-one nowhere  
And our nightgown's trailing  
And our feet are bare  
I don't know where we're going  
And I don't care

Just as long as you're here  
And the moon's up there  
Moonshine  
Moonshine moon  
The cow jumped over the moonshine moon  
Moonshine  
Moonshine moon  
I'll love you tonight under the moonshine moon  
Now all the little boys and girls around the town  
Dreaming through the darkness till the moon goes  
down  
But me and my baby gonna be up all night  
Dancing under the moonlight  
Moonshine  
Moonshine moon  
I'll love you tonight under the moonshine moon  
Moonshine  
Moonshine moon  
The cow jumped over the moonshine moon
