W're still together after all that we've been through
They tried to tell you I was not the boy for you

They didn't like my hair
the clothes I love to wear

They didn't realise that I was strong enough for two

I love you love

you love me too love

I love you love me love;
I love you love

my only true love

I love you love me love.

The things they said about the two of us were lies
I know they couldn't see the love light in your eyes

They said I wouldn't dare
to show how much I care

They didn't know that we were just two angels in
disguise

I love you love

...

So here we are alone

we made it on our own
and though they tried they can't deny the way I really
showed 'em:

I love you love

...
