I can't conceal the way I feel
It's time for me to go
Don't ask me why
Don't even try
To stop me as I go
I'll be back somewhere
some way
Don't feel alone
One fine day you'll hear me say
Darling I'm home

I will love you all my life
Just one thing I pray
When you dream of me each night
Remember me this way

A tear that falls
A voice that calls
Is all I left to you
A last good-bye
The tears I cry
I dedicate to you !
I'll just go on missing you
So until then
I'll dream of kissing you
Again and again

I will love you all my life . . .

I will love you all my life
In my special way
In the stillness of the night
Remember me this way.
