Medicine man dancing across the country
Medicine man dancing across the sky
Medicine man now my feet are dragging
Medicine man can you hear my cry

I don't want to be
The one, the one, the one that you forget
I don't, I don't, I don't just want to be your regret
Ooh ooh ooh ooh

Medicine man I lay my head in your hands
Medicine man you will clear my mind
Medicine man can you heal my body
Medicine man can you hear my cry

I don't want to be
The one, the one, the one that you forget
I don't, I don't I don't just want to be your regret
Ooh ooh ooh ooh

I don't know where to begin
I don't know how to break the bottle I'm living in
Do any thing to take away the memory of him
Can't you see that I have no way out
Don't leave me now

Medicine man, clear my mind
Medicine man ooh
Medicine man hear my cry
Medicine man ooh
Medicine man you are here in my mind
Medicine man ooh
Medicine man hear my cry
Medicine man ooooh
Medicine man, medicine man, medicine man
Ooh
