Let me paint you a picture
a picture that i know that you'd like
i'll let the colors run
it dries and then its done

and we'll go to the market and sell it
its worth more to them then it is to you
you said you'd put it on the wall but i dont want you to
we'll go to the market and sell it

let me build you a fortress
a fortress you can decorate
i'll find a way to pay the bills to the estate

and we'll go to the market and sell
it its worth more to them than it is to you
you said you weren't happy
and you won't be happy here
we'll go to the market and sell it

let me give you some money
some money for a daring escape we'll find a ticket
cheap
say good bye and you will leave and you'll go to the
market in Paris
its worth more to them
than it is to you
you said you won't be happy
and you won't be happy here
