Hey watch out 'cause I'm coming for you; well
baby girl KK tell me what cha' do;
I said I come from DC you can't see me, hey
Chuckie B let 'em know what we do!
I used to say I would never not in my days, ever change
my ways, too good at getting away with all them games
I played; smooth walker slick talker anything I did, get
out of a jam quicker than MacGyver did. Shit
I think I'm sprung now, I seen a dude up town who
makes me want to settle down and have his son now;
he might be the one now, I count it funny myself, I'll
let my daddy Chuck Brown give you the run down.
I was driving in my car one day, I saw a sexy lady walk
my way, A banging body and a pretty face, so I
whispered in her ear and said; I really love your style
and you dress so fly yo; I'd love to see your pretty
face in my show, I've been around the world from
London to Chicago, but I ain't never met a girl like
you.
Shorty took a look into my eyes, and said she heard I
was a crazy guy, I hit and run the Georgie/Porgy type,
you like to kiss the girls and make them cry. I told her
don't believe the hype 'cause I'm cool.
Enough about me let's talk about you. I want to get
to know you and make you my boo; it's all on you
baby, and she said;
Chuck baby don't give a what, (and she said);
Chuck baby don't give a ugh, (and he said);
Chuck baby don't give a what (And they said),
Chuck baby don't give a ugh, (and you said)
Chuck baby don't give a what (that ain't true),
chuck baby don't give a ugh, (I love all of you)
Chuck baby don't give a what (you know what I do);
Chuck baby don't give a ugh (owww)
So I shoot a couple of jokes, he laughin' and he
gigglin', tell by the look in his eyes he knows
I'm feelin' him.
Throw a couple of hints, he act like he can't hear, I
say I'm going to lunch why don't you meet me
there.
I swear, you think he own a store in G-town, he
drivin' a hard bargain while I'm trying to talk

him down; man you ready or not I can bring a car
around, if not then let me know so I can go and shop
around.

So I asked her if she had a man. She didnâ€™t answer
so I asked again; and baby I aint trying to force your
hand, baby Iâ€™m just tryin to understand. Why you try
to play so hard to get, and my name ainâ€™t no
Romeo and you ainâ€™t Juliet; but she said.

Chuck baby donâ€™t give a what (And he said), Chuck
baby donâ€™t give a ugh, (and they said)

Chuck baby donâ€™t give a what (And you said),
Chuck baby donâ€™t give a ugh, (yes I do)

Chuck baby donâ€™t give a what (that ainâ€™t true
yaâ€™ll), Chuck baby donâ€™t give a ugh, (that
ainâ€™t true)

Chuck baby donâ€™t give a what (is that the way you
feel?), Chuck baby donâ€™t give a ugh, (come on
baby)

He said, you said, they said, he said, everybody said,
Chuck baby donâ€™t give a what, Chuck baby
donâ€™t give aâ€¦

I said Chucky Thompson so sick with it, Chucky
Brownâ€™s baby girl so sick with it,

Yaâ€™ll know that we comin, comin to flow; say rocker
reppinâ€™ for that go go oh, â€¦and he said, (vamp
out)
