(Baby we both know that things
Have really changed between us)

Mmmm you've changed
That sparkle in your eye is gone
Your smile is just a careless yawn
It's all over now
You've changed

You've changed
Your kisses now are so blasÃ©
You're bored with me in every way
You're breaking my heart
You've changed

You've forgotten the words I love you
Sweet memories that we shared
You ignore every star above you
I can't realize that you ever cared
You've changed

You're not the angel I once knew
No need to tell me that we're through
It's all over now
You've changed

You've forgotten the words I love you
Each memory that we share
You ignore every star above you
I can't realize you've ever cared
You've changed

That sparkle in your eye is gone
Your smile is just a careless yawn
It's all over now
You've changed

Yes it's all over now
You've changed

(It's all over baby)
