

Hell Yeah "Cold As A Stone"

I've got a hole in my heart and I made it just for you
I've got something up my sleeve,
I wanna show you,
It's my life's work of tragedy and turbulence,
Now come with me and take a walk through violence,
I can't help it that I'm sick,
Or claustrophobic in my skin

Cold as a stone,
Hollow eyes and empty soul
Broken like a bone,
In a vice,
Heart like coal

I've got a hole in my head and I put it there because of
you,
I wrote something in this note that I left for you,
It's all because of your selfish lack of love for me,
I hope that my head on the wall will always remind you,
Morbid pictures in your head,
I'm so sorry for the mess

Cold as a stone,
Hollow eyes and empty soul
Broken like a bone,
In a vice,
Heart like coal

Dry your eyes,
It was time for me to leave,
Don't cry it was just my time and all you did was help
me

Cold as a stone,
Hollow eyes and empty soul
Broken like a bone,
In a vice,
Heart like coal

Cold as a stone,
Empty soul
Broken like a bone,

Heart like coal
