

Hell Yeah "One Thing"

Broken heart, broken dreams
Broken promise, broken wings
Broken spirit, break everything
It breaks a body down

Broken back, broken seams
Broken life, broken me
Broken hope, broken sleep
Broken bottle drinks me down

Give me one
Give me one
Just give me one thing
Just give me one

Just give me one thing
One hope, one tear, one
Just give me one thing
One wish, one fear

I've lost it all, lost everything
Lost the wish, lost the key
Lost the trust, lost the need
Lost the war inside

Lost the slate, wiped it clean
Lost the will, lost the means
Lost the gift, left the scene
And burned the body down

Give me one
Give me one
Just give me one thing
Just give me one

Just give me one thing
One hope, one tear, one
Just give me one thing
One wish, one fear, one

Just give me one thing, one wish
To let me love again

Just give me one thing, one hope
The crust of happiness

Falling out again
Chasing my life down
Endless search for the one thing
That will turn it all around

One, just give me one thing
One hope, one tear, one
Just give me one thing
One wish, one fear, one

Just give me one thing, one wish
The crust of happiness
One fucking thing
