Gotta go!
Time...is runnin'out of sight and out of my...
Watch...me runnin'across my cell,the cell i call my...
Life...sukks somehow if you got no time to chill!
Fukk this situation!
Yo,i gotta break out!
Out of this prizon that i built...built around me!
I'll kikk down the door and kill the security!!
Don't tell me that i'm late again!
Because you're not my buddy and i ain't your friend!
I'mtired of being awake and i cannot sleepat night ,for
heavens sake!
Leave me the fukk alone.... i said leave me the fukk
alone!!!
You don't know what it's like being me!
And i don't know what it's like being free!!! i
Got a million things to do... that means i got no time for
you!!!
Everything you wanna know...
NO! everything you ask for...
NO! i won't listen!
NO! close your lips don speak to me!! i got no time...

NO! get away from me....
NO!NO! i won't listen...
NO! close your lips don't speak to me!!!!
Oh baby,i don't think you heard me...
I'm in mad fukkin' hectic and you still disturb me???
Up steps "agressive-braz",the "don't ask,or i will put a
foot in your ass-braz"!
Honey,just hit the road,cuz'you 're the sting in my head
and the stone in my throat!!
This is getting out of control... i don't want you to come
over,i don't want your phonecalls!
Just keep your distance girl... i said,keep your
fukkin'distance girl!!!
Yo,i can't take this no fukkin'longer!
Everything you wanna know...
NO! everything you ask for...
NO! i won't listen!
NO! close your lips don speak to me!! i got no time...
NO! get away from me....

NO!NO! i won't listen...

NO! close your lips don't speak to me!!!!
