Well the docks lie crippled  
In the northern towns  
The boys have all gone away  
Trying to find work down south

And mister I walk in the valley of the shadow  
Won't someone have mercy on my soul  
On my soul, soul, soul

HALLOWED GROUND how sad is the sound  
In a valley that once sang out sang proud  
HALLOWED GROUND where the ships run aground  
To die in the harbour in a rust ridden town, town, town,  
town

Now I've seen the future  
And I've seen the past  
And I've seen the lights go down  
On this world fading fast

And mister I walk in the valley of the shadow  
Won't someone have mercy on my soul  
On my soul, soul, soul

HALLOWED GROUND how sad is the sound  
In a valley that once sang out sang proud  
HALLOWED GROUND where the ships run aground  
To die in the harbour in a rust ridden town, town, town,  
town

And mister I walk in the valley of the shadow  
Won't someone have mercy on my soul  
On my soul, soul, soul

HALLOWED GROUND how sad is the sound  
In a valley that once sang out sang proud  
HALLOWED GROUND where the ships run aground  
To die in the harbour in a rust ridden town, town, town,  
town

Now I've got a wife and a young child  
Back home in my house

Oh I've got someone  
I've got to take care of somehow
