So this is Christmas
And what have you done?
Another year over
A new one just begun

So this is Christmas
I hope you have fun
The near and the dear ones
The old and the young

And so this is Christmas
For weak and for strong
For rich and for poor ones
The road is so long

And so Happy Christmas
And a Happy New Year
Let's hope, It's a good one
Without any fear

War is over
If you want it
War is over now

So this is Christmas
For black and for white
For yellow and red ones
Let's all stop the fight

So Happy Christmas
And what have you done?
Another year over
A new one just begun

And so Happy Christmas
And a Happy New Year
Let's hope it a good one
Without any fear

War is over
If you want it
War is over now

War is over
If you want it
War is over now

War is over
If you want it
War is over now

War is over
If you want it
War is over now
