A thousand miles before us  
Long is the road  
The mountain high  
And the valley low  
Our love is stronger than we know

In the tears of a river  
I see the wrong  
Hear the mountain cry  
Cry anger  
Feel the pain in the valley below

I want to run  
Where the sunlight beats on my face  
I want to feel  
The wind in my hair

THERE ARE NO FRONTIERS  
That we can't cross tonight  
There are no borderlines  
To keep us apart  
THERE ARE NO FRONTIERS

I am devoted to you  
Like the sea to the shore  
Like the tree to the forest  
I can't live without you  
A river can't live without water

I want to run  
Where the sunlight beats on my face  
I want to feel  
The wind in my hair

THERE ARE NO FRONTIERS  
That we can't cross tonight  
There are no borderlines  
To keep us apart  
THERE ARE NO FRONTIERS  
That we can't cross oh oh oh

THERE ARE NO FRONTIERS

That we can't cross tonight  
There are no borderlines  
To keep us apart  
THERE ARE NO FRONTIERS  
That we can't cross tonight  
There are no borderlines  
To keep us apart  
No, no, no  
THERE ARE NO FRONTIERS  
THERE ARE NO FRONTIERS  
To keep us apart  
THERE ARE NO?.
