All I want is someone to believe in
But who to believe is hard to define
When some say the future is unwritten
Some say the simple things in life are the best
When all is dark and dusty down the tracks
And all paths from exile have roadblocks on all points
Saying "No, No way out of here, go back from where
you came from"
And some say when you're down you fight the hardest
Some tighten the belt others let go

Some tighten the belt others let go
Someone once said, if you don't ask you don't receive
Someone showed me that written down in the back of a book

And as I reach out and see my life unfold I tell you this because I truly believe in it Ask and you'll receive my friend Seek and you shall find Oh won't you help me now.

Only the thunder knows
What drives a man in his darkest throes
Fortune and poverty
They're oh so close, oh so close
ONLY THE THUNDER

And some say everything must have a reason Some say everything will one day soon come to pass Some say that's life, that's the way the cards fall Someone once said the answer's blowin' in the wind And the word I seek to answer all my questions Is written down on everything I see It's in the words written on the subway walls It's filling the concert halls.

Only the thunder knows
What drives a man in his darkest throes
Fortune and poverty
They're oh so close, oh so close
ONLY THE THUNDER

I know you $\|\hat{A}f\|_1$  $\|\hat{A}...\|$  $\|\hat{A}\|_2$  $\|\hat{A}\|$ e out there in this world my
