There's colors on the streets
Red, white and blue
People shuffling their feet
People sleeping in their shoes

There's a warning sign on the road ahead
There's a lot of people saying, ?They'd be better off
dead?
Don't feel like Satan but I am to them
So I try to forget it any way I can

Keep on rockin' in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world

There's a woman of the night
Got a baby in her hand
Near an old street light
Down by a garbage can

Now she puts the kid away and she's gone to get a hit
She hates her life and what she's done to it
There's one more kid who'll never go to school
Never get to fall in love, never get to be cool

Keep on rockin' in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world

Keep on rockin'

There's a thousand points of light for the homeless
man
There's a kinder, gentler, machine gun hand
Got department stores, toilet paper
Styrofoam boxes for the ozone layer

There's a man of the people
Saying, ?Keep hope alive"
I've got fuel to burn

I've got roads to drive

Keep on rockin? in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world

Keep on rockin' in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world

Keep on rockin' in the free world
Keep on rockin' in the free world
Keep on rockin' in the free world
