And if you know what is the answer  
Why don't you tell me  
What does it feel like  
To be free  
What does it feel like

Take a look at the punks  
On the run from all the ministers  
Collecting for the criminals  
And the judges or the blame  
If you're innocent or you're  
guilty  
Or you've never been given a chance  
And you'll never find an answer  
There's always, always, always, always  
Just one more link to the chain

And if you've found  
What you think you've been looking for  
Don't look back  
Because you won't find nothing  
Anymore  
No, I guess you won't find nothing

Take a look at the punks  
On the run from all the ministers  
Collecting for the criminals  
And the judges or the blame  
If you're innocent or you're  
guilty  
Or you've never been given a chance  
And you'll never find an answer  
There's always, always, always, always  
Just one more link to the chain

Just one more link to the chain  
Just one more  
(Just one more link to the chain)  
Take a, take a, take a look  
(Just one more link to the chain)  
Take a look at the punks  
(Just one more link to the chain)

At the ministers collecting  
(Just one more link to the chain)

And there's always, always, always, always  
Just one more link to the chain
