I'm a man who bites hard on the bullet of silence  
If only you could feel the pain I hide  
Know me, like I know you

Still water running deep in the cavern of my soul  
So many roads lead nowhere  
Know me, like I know you

Like a rock, waves clash over me  
Standing silent, waiting to be set free

The rock, the rock, the rock  
Will never let you down  
The rock will never fall  
Or tumble to the ground  
The rock, the rock, the rock  
Will never let you down  
The rock will never fall  
Or tumble to the ground  
Like a rock

I've been accused of being many things  
None of them ever hit the mark  
Know me, like I know you

Like a rock, waves clash over me  
Standing silent, waiting to be set free  
The rock, the rock, the rock  
Will never let you down  
The rock will never fall  
Or tumble to the ground  
The rock, the rock, the rock  
Will never let you down  
The rock will never fall  
Or tumble to the ground  
Like a rock

The rock, the rock, the rock  
Will never let you down  
The rock will never fall  
Or tumble to the ground  
The rock, the rock, the rock

Will never let you down  
The rock will never fall  
Or tumble to the ground  
Like a rock

Hiraeth, hiraeth, hiraeth, hiraeth
