Home where my heart beats
Where my love waits for me
Where the winds of change
Howl into my face

There's rain off the headlands
Closes in by day
Don't cry, don't cry
Wipe you tears away

The rivers are rising
There is a flood in me

I can feel the heat
In the air that I breathe

Home
WHERE A TOWN ONCE STOOD
Home
Before a storm
Home
WHERE A TOWN ONCE STOOD
Home
Before a storm

Distant horizons
Drowning in the fire
Slowly, slowly
A life flashing by
The rivers are rising
There is a flood in me
I can feel the heat
In the air that I breathe
