I'm tempted my darling, to steal you away,
Don't let me crossover, stay out of my way.
You know that I love you, and I'm not the stealing kind,
But I'm faced with heartaches, at love's cheating line.

Chorus:

Don't let me crossover, loves cheating line,
You belong to another, and could never be mine.
I know one step closer, would be heaven divine,
Don't let me crossover, loves cheating line.
I tried to forget you, but what else can I do,
When your eyes keep saying, that you love me too.
I know if I lose you, not a dream will I have left,
I don't want to cheat dear, but I can't help myself.

Chorus:
