From a Jack to a King.
From loneliness to a wedding ring.
I played a Ace and I won a Queen,
An' walked away with your heart.

From a Jack to a King.
With no regrets, I stacked the cards last night.
And Lady Luck played her hand just right:
You made me King of your heart.

For just a little while, I thought that I might lose again.
Then just in time, I saw the twinkle in your eye.

From a Jack to a King.
From loneliness to a wedding ring.
I played a Ace and I won a Queen,
You made me King of your heart.

For just a little while, I thought that I might lose again.
Then just in time, I saw the twinkle in your eye.

From a Jack to a King.
From loneliness to a wedding ring.
I played a Ace and I won a Queen,
You made me King of your heart.
