Hello walls (hello hello) how things go for you today
Don't you miss her since she upped and walked away
And I'll bet you dread to spend another lonely night
with me
But lonely walls I'll keep you company
Hello window (hello hello) well I see that you're still
here
Aren't you lonely since our darling disappeared
Well look here is that a teardrop in the corner of your
pane
Now don't you try to tell me that it's rain
She went away and left us all alone the way she
planned
Yes we'll have to learn to get along without her if we
can
Hello ceiling (hello hello) I'm gonna stare at you a while
You know I can't sleep so won't you bear with me awhile
We must all stick together or else I'll lose my mind
I've got a feeling she'll be gone a long long time (hello
hello)
