Come and get it
Cause i can fill it
And i'll be doing around
No longer cause i'll be ...
You can touch me

We take your body
We going lost and lost tonight
Baby take a deep breath
You not even close to the end
Baby i know how
Tell what you like
I need your body
Girl i'm yours tonight
Don't have my patience
Girl i'm your tonight
Don't have my patience
Girl i'm your tonight
Don't have my patience
Girl i'm your tonight
Girl you better keep waiting a wile
I can get enough
To your touch
What you do to me baby
Bring me up
I want you tonight
And next you wanna come and get there
Come and get it
Come and get it
Come and get it
Come and get it
Come and get it
Come and get it
Love in every touch F
From your finger
To the touching your lips
Touch me you
And i don't want to come close to what you do baby
Baby i'm yours
Well keep your hands right there
Makes me ...baby boy i like it

I get get enough to your touch
