Baby I need you
Baby I need you to sees you
'
I'll be going, we don't go wrong. We're so strong
I thought I never do it and she will never found out
'
I guess he saw me in her bed
He wasn't really '
About her baby and me
He felt so ashamed, my ego is to blain
I get it and I try to explain
Just like that she won't coming back
Must to be 'and I don't know how to act
Just relax'.
Baby I need you
Baby I believe you
I'll be going, we don't go wrong. We're so strong
I thought I never do it and she will never found out
'
You past free even more I hate me
This is very uncool
No matter what I hear, I can even see
The only thing I see it's me and she
She truly coming up with that "'I'm so lost'
I know I hurt you I don't even deserve you
Please forgive me
This hill it's killing me
I need you
I need you
I miss you
'..
I need you
I need you baby
I miss you
'
I need you like cazy
I miss you
'
I need you
