Girl, your body is calling me, calling me
I think I should answer the phone!
It's two a.m. and it's time to leave
I don't wanna leave you alone!

I don't wanna lie, I don't wanna lie
So I'm gonna tell you the truth!
Look into my eyes, look into my eyes,
Tell me what you're feeling, too!
Being you, being you, being you

[Chorus:]

No strings attached, no looking back,
Baby we should live together!
Girl, no regrets, no promises
I don't wanna say forever!
Just give me one night, one night,
One night!
Just give me one night, one night,
One night!

Tell me all your fantasies,
Anything that you wanna do!
Anything girl!
I see you climbing on top of me
You're every dream coming true.

I don't wanna lie, I don't wanna lie
So I'm gonna tell you the truth!
Look into my eyes, look into my eyes,
Tell me what you're feeling, too!
Being you, being you, being you

[Chorus: x2]

No strings attached, no turning back,
Baby we should live together!
Girl, no regrets, no promises
I don't wanna say forever!
Just give me one night, one night,
One night!
Just give me one night, one night
