I'm just wanting on your show
Addicted on our .., oh no no
If we make this physical, girl
I know won't come for free
So I brought a couple stacks for me yeah

Pre-Chorus:

I can't let you walk away, I'm in the mood to play
So girl just bring your body to me, I just wanna let 'em
taste
No need to hesitate, I'm watching this, can you take?
So drop it down to me, I want'

Chorus:

Just imagine making love to me
And nobody gotta know
Keep secrecy here with me
Be my private dancer
You're gonna be my private dancer
You're gonna be my private dancer,
You're gonna be my private dancer,
Dancer, dancer.

Girl let's finish off the floor, oh
We need a little privacy
Oh, the one that stucks..
..I want it all, oh
Happen and drown to see
Show me how you're right to be yeah

[Pre-Chorus:]

[Chorus:]

And shawty if you want this money
Let me till you shake somethin' for me
I toss some over here, I toss some over there
And shawty come and get this money.
Now shawty if you want this money
Let me till you shake somethin' for me
I toss some over here, I toss some over there

Now shawty come and get this money.

[Chorus:]
