Take (10x)
Take a second
Take
Take a second
Take
Take a second
Take

So baby won't you please
Take a second
Please
Just take a second
And think about
What we're gonna do?
Take a second
Won't you please?
Just take a second
Please
Take a second
And think about it

Raindrops on my window
The silence seems much louder than before
Lightning flash, thunder crack
Nature paints a picture of my life

And sometimes it's good
And sometimes it's bad
Now that you're gone
I'm always sad
I'm missing your touch
I'm missing you so much
Baby I can't go on without you

So baby won't you please
Take a second
Please
Just take a second
Please
Take a second
And think about
What we're gonna do?

Take a second
Won't you please?
Just take a second
Please
Take a second
And think about it

I reminisce your sweetest kiss
The surface of your fingertips on me
The way you touched me softly
I wish I could go back there

And sometimes it's good
And sometimes it's bad
Now that you're gone
I'm always sad
I'm missing your touch
I'm missing you so much
Baby I can't go on without you

So baby won't you please
Take a second
Please
Just take a second
Please
Take a second
And think about
What we're gonna do?
Take a second
Won't you please?
Just take a second
Please
Take a second
And think about it

Come on, girl

So baby won't you please
Take a second
Please
Just take a second
Please
Take a second
And think about
What we're gonna do?
Take a second
Won't you please?
Just take a second
Please
Take a second
And think about it

Come on, girl

Take a second

Please

Just take a second

Please

Take a second

And think about it

(Don't wanna lose you now)

Take a second

Won't you please?

Just take a second

Please

Take a second

And think about it

Just think about it

Take (10x)

Take a second

Take

Take a second

Take a second

And think about it
