This is my way of self-realization,  
you must feel that inner strenght from me  
I have one guitar and only six strings,  
one of them is fucking called "E"

That is me and that is you  
this is E...power

Listen to E-power, don't you like it?  
so fuck you, you can't be with me

So watch our show and you will see,  
everything is written in our faces

That is me and that is you  
between us is E...power

Insanity, energy, iridescent lights  
screams and motion, it's our E-power

This is my way...
