Though we've said goodbye, when the moon was high,

Does your heart beat for me?

I wonder, if I still linger in your memory

When you hear my name, is the thrill the same

As it once used to be?

When you're lonesome, my sweetheart,

Does your heart beat for me?

Men - When you hear my name

Hear my name

Men - is the thrill the same

Thrill the same, as it once used to be?

When you're lonesome, my sweetheart,

Does your heart beat for me?
