If I could see the world,  
Through the eyes of a child.  
What a wonderful world this would be.  
There'd be no trouble and no strife,  
Just a big happy life.  
With a bluebird in every tree.  
(If I Could See The World Through)

I could see right, no wrong.  
I could see good, no bad.  
I could see all the good things,  
In life I've never had.  
If I could see the world,  
Through the eyes of a child.  
What a wonderful world this would be.

If I could see the world,  
Through the eyes of a child.  
Smiling faces would greet me all the while.  
Like a lovely work of art,  
It would warm my weary heart,  
Just to see through the eyes of a child.

I could see right, no wrong.  
I could see good, no bad.  
I could see all the good things,  
In life I've never had.  
If I could see the world,  
Through the eyes of a child.  
What a wonderful world this would be.
