I know that you've been foolin' around on me right from  
the start

So I'll give back your ring and I'll take back my heart  
And when you're tire of foolin' around with two or three

Just come on home and fool around with me.  
Then come on home and fool around with me.

Well I wasn't foolin' around the day I said I do  
But many a night I wished that I had been a-foolin' too  
I know it's foolish taking all this misery  
But when it's you a fool I'll always be

So honey fool around. You know right where I'm at  
And don't worry if I'm lonesome cause I'm used to that  
And when you're tire of foolin' around with two or three  
Then come on home and fool around with me

I know that you've been foolin' around on me right from  
the start  
So I'll give back your ring and I'll take back my heart  
And when you're tire of foolin' round with two or three  
Just come on home and fool around with me.
