For rent, for rent, an empty heart  
Just say the word and you can move right in  
A long-term lease can be arranged  
And it will never be for rent again  
I don't need no money 'cause it won't last  
Just lots of lovin', that's all I ask  
Oh, my baby, for rent, for rent, an empty heart  
Just say the word and you can move right in  
I don't need no money 'cause it won't last  
Just lots of lovin', that's all I ask  
Oh, my baby, for rent, for rent, an empty heart  
Just say the word and you can move right in
