Come on, deck in with the jive, let's let 'em know that
we're alive

Until the break of dawn we'll yell for more, more, more

Gonna live it up and tear it down, get in the groove and
paint the town

Gotta lot of rhythm in my soul, well now,

Baby, baby, let's a-go tonight together, you and me

Baby, baby, when you hold me tight, ooo wee, what you
do to me!

The big black hands on the clock tell me that it's time to
rock

Gotta lot of rhythm in my soul

Big bad beat with the crazy bop, when the lights are low
and the music's hot

Dance from two to three and then a half past four

When that song just goes again, I won't stop all the
rockin' still

Gotta lot of rhythm in my soul, well now,

Baby, baby, let's a-go tonight together, you and me

Baby, baby, when you hold me tight, ooo wee, what you
do to me!

The big black hands on the clock tell me that it's time to
rock

Gotta lot of rhythm in my soul, well now,

Baby, baby, let's a-go tonight together, you and me

Baby, baby, when you hold me tight, ooo wee, what you
do to me!

The big black hands on the clock tell me that it's time to
rock

Gotta lot of rhythm in my soul

Gotta lot of rhythm in my soul
