Heartaches, heartaches,
My loving you meant only heartaches.
Your kiss was such a sacred thing to me,
I can't believe it's just a burning memory.

Heartaches, heartaches,
What does it matter how my heart breaks?
I should be happy with some one new,
But my heart aches for you.

Heartaches, heartaches,
My loving you meant only heartaches.
Your kiss was such a sacred thing to me,
I can't believe it's just a burning memory.
Heartaches, heartaches,
What does it matter how my heart breaks?
I should be happy with some one new,
But my heart aches for you.

Heartaches, heartaches,
What does it matter how my heart breaks?
I should be happy with some one new.
But my heart aches, and my heart breaks,
And my heart aches for you.
