Tonight alone, I'm thinking of the things we used to do

There's laughter all around, but my heart still aches for you

The wedding bells are ringing, but to me their chimes are blue

How can I face tomorrow when I know I'm losing you?

The dreams we shared have all been torn apart

It's your wedding day, but I can't claim your heart

Now someone else will hold you just the way I used to do

How can I face tomorrow when I know I'm losing you?

The dreams we shared have all been torn apart

It's your wedding day, but I can't claim your heart

Now someone else will hold you just the way I used to do

How can I face tomorrow when I know I'm losing you?
