Today I passed you on the street, and my heart fell at
your feet
I can't help it if I'm still in love with you
Somebody else stood by your side, and she looked so
satisfied
I can't help it if I'm still in love with you
A picture from the past came slowly stealing
as I brushed your arm and walked so close to you
Then, suddenly, I got this old time feeling
I can't help it if I'm still in love with you
It's hard to know another's lips will kiss you
and hold you just the way I used to do
Oh, heaven only knows how much I miss you
I can't help it if I'm still in love with you
