Don't wanna walk unless I'm walking with you, don't
wanna talk unless I'm talking to you
Don't wanna be lonesome, don't wanna be blue, Baby,
that's how much I love you
Don't wanna cry unless I'm crying for you, don't wanna
sigh unless I'm sighing for you
Don't wanna be found with somebody new, Baby, that's
how much I love you
I've built my whole world around you, Darling, don't
ever break my heart
I'm so glad that I've found you, and in my life you'll
always play a part
Don't wanna live unless I'm living with you, don't wanna
give unless I'm giving to you
Don't wanna be lonesome, don't wanna be blue, Baby,
that's how much I love you
I've built my whole world around you, Darling, don't
ever break my heart
I'm so glad that I've found you, and in my life you'll
always play a part
Don't wanna live unless I'm living with you, don't wanna
give unless I'm giving to you
Don't wanna be lonesome, don't wanna be blue, Baby,
that's how much I love you
Baby, that's how much I love you
