If I could see the world through the eyes of a child,
what a wonderful world this would be

There'd be no trouble and no strife, just a big happy
life, with a bluebird in every tree

I could see right, no wrong, I could see good, no bad, I
could see all the good things in life I never had

If I could see the world through the eyes of a child,
what a wonderful world this would be

If I could see the world through the eyes of a child,
smiling faces would greet me all the while

Like a lovely work of art, it would warm my weary heart,
just to see through the eyes of a child

I could see right, no wrong, I could see good, no bad, I
could see all the good things in life I never had

If I could see the world through the eyes of a child,
what a wonderful world this would be
