"I'll Sail My Ship Alone"

We've been sweethearts for so long, but now you say
we're through; the love we shared is now a memory
I have built a ship of dreams and planned them all for
you; but, now, I guess, what is to be will be
I'll sail my ship alone with all the dreams I own, sailing
out across the ocean blue
Yes, I'll sail my ship alone, though all the sails you've
torn, and when it comes to sinking, I'll blame you
Now, I gave a message to the wind to take back home
to you, hoping you would hear my S.O.S.
I thought that you would come back home and Darlin if
you knew how much my achin heart was in distress
Well, I'll sail my ship alone with all the dreams I own,
drifting out across the ocean blue
Yes, I'll sail my ship alone, though all the sails you've
torn, and when it starts to sinking, I'll blame you
